From our Missionaries...

Fred and Joan Hartman – Jewish Outreach Mission
(Global Outreach Mission)

Dear praying family and friends:

This past month...Joan came down with a urinary infection that did not...respond to...treatment...my doctor...thought she could have had a slight heart attack, so after...tests he sent her to a cardiologist...and they have ruled that out. Our doctor has put her on medication for...elevated blood pressure and...rapid heartbeat, and she will see him again next week for a follow-up visit.

As for ministry, we have been making radio tapes for Canada's National Bible Hour... Global's President Emeritus, Dr. James O. Blackwood has been handling the broadcasts for many years...on January 20, he went to be with the Lord...

...He was a close personal friend to us. It was through him that we came to serve with Global, and are now in our 14th year...Through his leadership...we have seen this ministry grow so that we now have over 500 missionaries in 50 countries...

Our Bible studies are...in full swing again...At the one in our home we are making a detailed study of Matthew 24-25 or the overview of prophecy by Jesus in the Olivet Discourse. At the other study we are...dealing with biblical relationships in marriage...

Thank you for praying for our ministry and making it possible for us to continue.

Pray for Jewish people to be saved. Pray for Joan to get her full health and strength back again...

In His matchless grace,

Fred and Joan Hartman

"Thank you for your gift of \$100 recorded on 12/14."
